

Washington CeaseFire

GUN FREE ZONE

PLEDGE

We recognize that firearm violence is a significant public health issue, and that the presence of a firearm can quickly escalate an altercation into a lethal event. We are proud to participate in Washington CeaseFire's Gun Free Zone program, with the goal of keeping our patrons and staff as safe as possible. Firearms of all types in the possession of civilians, including those with concealed weapons permits, will not be allowed on our premises.
